

JAG GENERAL INFORMATION

All programs must comply with the guidelines listed in the Notice of Funding Opportunity.

Below is a list of the approved purpose areas that are eligible for JAG funding and a chart listing all active grant programs received by each agency with the number of months available for future funding. All Byrne-JAG projects have a 36-month limitation with the exception of the confidential programs. Please contact us if you do not see your agency listed. This may be due to reaching the funding duration limit or a lapse in funding fiscal years.
